

Fire Risk Assessment - Pre - FRA Evaluation

1. Do you spend most of your time “fire fighting”, playing catch up, dealing with the biggest issue of the day, or have you a strategy?
2. Do you manage a multi site property portfolio?
3. Do you require Fire risk assessments for high risk properties and or special needs groups?
4. Do you manage residential property?
5. Have you previously had many fire risk assessments carried out and are now unsure what to do next?
6. Are you confused by the Fire risk assessment process? Don't know where to start?
7. Do you have previous paper fire safety reports and PDF Fire Risk assessments you would like to update and manage better?
8. Would you like professional support and guidance to help you prioritise and effectively manage risk?

If any of the above apply to your organisation, we have the solution for you. Call now for an informal discussion.
