

## **SMSTS Refresher Training – 5-Day CITB Site Management Safety Training Scheme**

### **Aims**

The CITB SMSTS Refresher training course is designed to ensure that personnel maintain and up-date their current health and safety knowledge. The course covers changes to legislation, approved codes of practice and best working practice within the industry.

### **Who Should Attend**

Individuals wishing to renew their SMSTS training certificate. They must provide a copy of the original five-day course certificate. Details of the course venue and the date of the course should also be provided if known. Only those individuals who have passed the five day course and provided evidence of this will be eligible to take the two day refresher course.

### **Course Duration**

2 days

### **Learning Aims and Objectives**

The SMSTS training course covers The Health & Safety at Work Act and the regulations relevant to the Construction Industry (and other workplaces), including;

- Site Set Up
- CDM
- Risk Assessment
- Method Statements
- Scaffolding
- Electricity
- Excavations
- Demolition
- Confined Spaces
